---

**A2**                    **Bsus**                    **C#m7**                    **Bsus**  
Faithful in all You say,                    glorious in all Your ways

**A2**                    **Bsus**                    **E**                    **E/G#**  
Slow to anger, full of love

**A2**                    **Bsus**                    **C#m7**                    **Bsus**  
When You open Your hand,                    we hunger and thirst no more

**A2**                    **Bsus**                    **E**  
You shower compassion over all

*(pre-chorus)*

**F#m7**                    **A2**                    **F#m7**                    **A2**  
In all Your ways we stand amazed an look to You for help

**F#m7**                    **A2**                    **F#m7**                    **A2**  
We see Your power in all the earth and live in awe

*(chorus)*

**E**                    **E/G#**  
The grandeur of a King, how can our hearts not sing?

**A2**                    **Bsus**  
Of the greatness of the God of glory, love to make us free

**E**                    **C#m7**                    **F#m7**                    **A2**  
Mercy with no end, how do we begin to praise

**E**  
The grandeur of a King
